AT101ALAP

Pole mount. luminaire

Typ	AT101ALAP
GTIN	6418584042554
Nazwa	Pole mount. luminaire Ensto AT101ALAP 100W E27 BR
Opis	Traditional garden lighting pole luminaire, which creates atmosphere. Käpy cone shape luminaires are an ideal choise for lighting pathways and planting areas.
Producent	Ensto Lighting Oy

Specyfikacje techniczne

Wymiary

Masa:	1.4 kg
Długość:	292 mm
Szerokość:	292 mm
Wysokość:	283 mm

Temperatura

Temperatura pracy:	-25 ... 30 °C

Parametry elektryczne

Voltage:	230 V

Kolor

Kolor:	

Mechanical

Odporność na udar:	-

Ratings

Stopień ochrony:	IP23
Moc:	100 W
Protection class:	I
ETIM 7:	EC000062 Luminaire for streets and places

Oprawy oświetleniowe info

Luminaire specific information

Control:	-
Lamp base:	E27
Light source qty and power (W):	1x100
Light source (ILCOS):	IA
Light source:	A60
Materials:	
Optics:	Anti-glare lamellas
Installation:	Column
IN-OUT- looping:	Continous
Electrical connection, cable size:	3x2,5
Electrical connection, connector type:	Pushwire terminal

ETIM

ETIM

With light source:	false
Control gear included:	true
Remote control:	None
Suitable for top end size:	50 mm
Adjustable optics:	false
With wireless control:	false
Mounting method:	Post top
With light regulation program control:	false
Suitable for number of lamps:	1
Material housing:	Plastic
Voltage type:	AC
Material cover:	Other
Colour housing:	Bronze
Degree of protection (IP):	IP23
With connection cable:	false
Protection class:	I
Constant luminous flux control:	false
Nominal voltage:	230 V
Lamp holder:	E27
Type of control gear:	Not required

Opakowanie

Opakowanie

Size:	1
Length:	305 mm
Width:	305 mm
Height:	330 mm

Weight (brt):	1.7 kg
Volume:	30.69825

Pallet package

Size:	36
