POWER X-CHANGE

Cordless Lawn Mower

GE-CM 36/48 Li M-Solo

Item No.: 3413054

Ident No.: 21011

Bar Code: 4006825660654

The Einhell GE-CM 36/48 Li M Solo cordless lawn mower is a member of the Power X-Change family; it is driven by a brushless electric motor whose running time can be extended by using Double Twin Pack Technology. Wide wheels exert less stress on the lawn, and the high-wheeler has a robust sheet-steel chassis. Six different cutting heights (30-75 mm) can be set axially on this mulching mower, and a side ejection kit can be fitted as an option. While an ergonomic Softgrip contributes to tireless operation, the long handle is adjustable in height and can be folded. This product comes without a battery or charger; two 18V batteries are needed for operation. These are available separately.

Features & Benefits

- Member of the Power X-Change family, 2x18V battery necessary
- Twin-Pack Technology: 2x18V Power X-Change batteries - more power
- Brushless motor - more power and prolonged operation
- Axial cutting height adjustment, 6 levels (30-75mm)
- Fatigue-free working thanks to ergonomic handle with softgrip
- Height adjustable long handle - fitting to every user
- Practical storing thanks to foldable long handle
- Including side-ejection kit - optional extendable
- Extended mowing due to additional slots (double twin pack)
- Tough and long-lasting steel-chassis
- Highwheeler - lawn friendly, extensive wheels
- Mulching mower - no catch bag included - natural fertilization
- Recommendation for optimum results: 2,5Ah battery & higher
- Supplied without battery and charger (available separately)
