

Shielding efficiency	70 dB
Cable type	coaxial cable
Inner conductor material	CCS
Inner conductor, core diameter	0.5 mm
Number of shieldings	2 x
Type 1, shielding	foil (aluminum)
Type 2, shielding	braid (aluminum)32x
Cable sheath diameter (approx.)	5 mm

Goobay
Antenna connection cable, black

Coaxial male -Coaxial female

- double shielded for interference-free signal transmission
- encapsulated plug on both sides, protection against dust, dirt and mechanical loads
- nickel plated contacts
