USB-C™ Supersoft Textile Cable with Metal Plugs

elegant and extra-robust connection cable for devices with USB-C™ connector

- Robust charging and data cable with a textile-coated silicone sheath for maximum flexibility and efective protection against cable breakage
- The USB-C™ charging cable provides super-fast charging with max. 60 W and high-speed data transfer at up to 480 Mbit/s
- The reinforced metal connectors with kink protection are designed for over 10,000 bending cycles, making the USB-C™ to USB-C™ charging cable extremely durable
- The braided, durable textile jacket of the USB extension has a pleasant feel and is gentle on sensitive surfaces
- The USB cable is compatible with smartphones, tablets or laptops from common manufacturers and also supports the charging function of the Apple MacBook
