Art no. 13 7X 200 ME

Forged Wire Stripper for metric cable

Versatile 5-in-1 combination pliers for electrical installation: cut cables, strip conductors, twist, deburr and grip

- Clever stripping: large capacity range, sharply ground stripping profiles and intuitive positioning
- Innovative cutting geometry: easier cutting, especially of flat cables
- Hybrid design: as flat as needle-nose pliers, as wide as combination pliers for high stability with good accessibility

> Precisely ground stripping profiles for solid conductors from 0.75–6 mm² and fine-stranded conductors from 0.5–4 mm²
> Precise positioning of the wire thanks to location ridges
> Easy cutting of copper and aluminium cables up to Ø 15 mm (1/2")
> Wide, cross-hatched gripping surfaces for twisting wires
> Milled groove for secure holding and pulling of small work pieces such as nails
> Convex gripping surface on one side for secure gripping of flat material and gripping area for round material
> Outer edges for deburring pipes
> The cross-hatched gripping surfaces are ideal for twisting wires
