102 Soft-faced hammer with urethane head sections, # 1 x 23 mm

Series Soft-Faced Hammers

EAN:	4013288001498	**Size:**	250x75x22 mm
Part number:	05000505001	**Weight:**	204 g
Article number:	102	**Country of origin:**	CZ
		Customs tariff number:	82052000

- Powerful hammering with surface protection
- Soft-face hammers with hammer head out of urethane; semi-hard
- For hammering sharp-edged workpieces; car body, engineering and automotive applications.
- Inseparable and secure connection between the hammer handle and head
- High-quality ashwood handle

Wera soft-face hammers. Double-sided conical design for a secure, inseparable connection between the hammer handle and head. The hammer head is made out of semi-hard urethane; the handle out of high quality ash wood. Diverse applications thanks to the interchangeable soft-face hammer heads. Suitable for car body, engineering and automotive applications.

Wide range of applications

They come in soft, medium and hard designs for a wide range of applications from universal use to splinter-free applications on sharp-edged work pieces.

High quality ash wood

Powerful work is ensured with handles out of high quality ash wood.

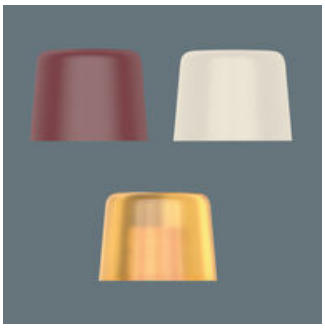
Colour guidance system

Colour guidance system
Yellow = Repair/maintenance work with high demands
Red = Suitable for hammering sharp-edged work pieces; bodyshops, automotive, engineering
White = Suitable for metal processing and removal of dents; tent, large building and exhibition stand construction

Secure

The double-sided conical design creates an unbreakable and secure link between the handle and head of the hammer.

Versatile



Versatile use thanks to the soft faced heads that can be retrospectively fitted.
