GEWISS

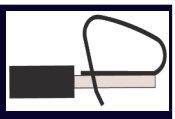

DOMOTICS ENERGY LIGHTING

NEW IEC 309 HP Range

The NEW High Performance IEC 309 HP Range comprises 444 codes which includes trailing plugs and sockets, and flush mount sockets, IP ratings range from IP44 to IP69

Available with SCREW or SPRING wiring terminal:
(H) Traditional Screw Terminal Fast, Spring Terminal (FH)

Easy,
One hand opening

High Ingress Protection, Up to **IP69**

Spring terminals For all cable types

Nickel plated contacts: Improves connection' Reduces oxidisation

IEC 309 HP
HIGH PERFORMANCE

Colour coded terminals

Captive glands on both **IP44** and **IP67** versions

HF Halogen Free

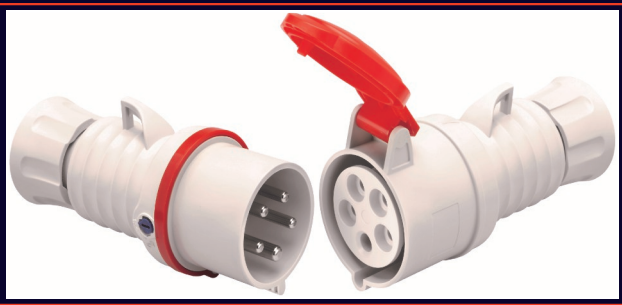

Halogen Free

High resistance to mechanical stress, even at low temperatures

Available from September 2013
