Terms of Delivery and Payment

Number 1 IN CUSTOMER SERVICE!

Here's why:

- **NO MINIMUM ORDERS, NO STOCKING REQUIREMENTS, NO DROP SHIP FEES**
  We don't believe in minimum order quantities or stocking requirements. Buy what you want, when you want it! As a Bondhus® distributor, you are never forced to stock our products in your inventory – minimizing your overhead costs.

- **NO HASSLE RETURNS**
  We want you to be satisfied with every aspect of doing business with Felo and Bondhus. Too much stock of a particular item? Simply call us at 800-328-8310 for a Returned Goods Authorization (RGA) and send it back freight prepaid for a full credit to your account. Bondhus never charges a restocking fee on items in our standard product line!

- **LIFETIME WARRANTY**
  All Felo products are guaranteed for life. If you or your customer are not happy with a Felo tool – for any reason – simply return it. A replacement will be shipped right out at no cost – no questions asked!

- **HIGHLY TRAINED, EXPERIENCED IN-HOUSE CUSTOMER SERVICE DEPARTMENT**
  Bondhus' in-house Customer Service staff is made up of highly-trained professionals with an average of 16 years experience in the hex tool industry. Always willing to answer your questions or address any ordering / shipping issues, they can be reached weekdays, 7 am to 5 pm CST, at 800-328-8310 or via email at cservice@bondhus.com

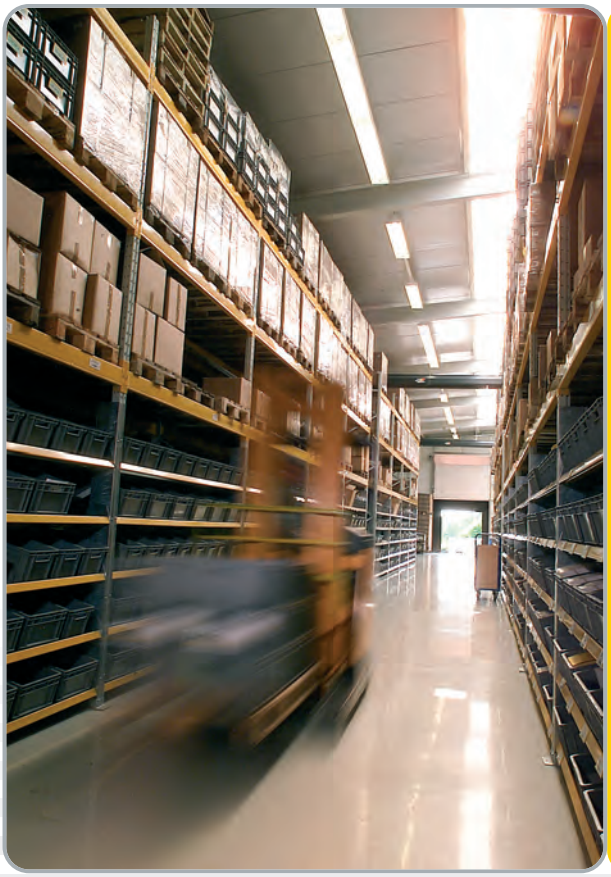

65

65 years of Felo!

Our customers and employees are proud of this anniversary. In 1950 Felo Werkzeugfabrik was founded in Neustadt (Hessen), Germany. Driven by innovative power, quality consciousness and enthusiasm the company grew from humble beginnings with 2 employees into one of the leading manufacturers of screwdrivers and bits.

Today 200 people work for Felo.

2000

stocked items are at the daily disposal of our customers.

On top of this we manufacture the same number of products in customized versions, as special tools and under private brand.

137

years of experience in the development, production and marketing of screwdrivers.

In 1878 the »Hammermühle« factory for tools was founded. The assortment included forged screwdrivers as well as chisels, hammers and pliers. The foundation of Felo in 1950 was based on this company.

40

Felo tools are exported to 40 countries:

we are a global player and specialist, offering a wide variety of products for the most different markets and requirements. Felo is traditionally strong in exports: almost 100 years ago we began using catalogues in 4 languages. Since then Felo has become a byword for quality.

260

applications for industrial property rights document our innovative power!

Progressive ideas like 2-component handles, Titanium-coated bits and screwdrivers with exchangeable blades for electricians originated from Felo developments. Our curiosity and creativity have made us a leader in product and production.

1

mission:

We want to inspire our customers! This doesn't just show in our products but also in our flexibility, service, reliability and cost-efficiency.

Test for yourself our strengths!

felo

Ergonic, the first handle that adapts to the users hand!

smooth, seamless handle for maximum comfort

hand and handle interlock, causing less strain

Fits all!

Serie 400 ERGONIC® (pat.)

U.S. Patent No 7,877,843

stronger, adaptable, truly ergonomic

anti-roll handle design

hexagon bolsters available on series 410

hanging hole for easy storage or inserting lever

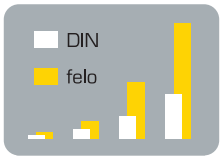

blades manufactured from chrome-molybdenum-vanadium steel

screw symbols on handle cap

GS tested for safety

superior torque which exceeds DIN and ISO requirements by up to 100%

EAN code on every product

4 007157 604057

full length, impact proof handle core

made in Germany

black tip for precision fit

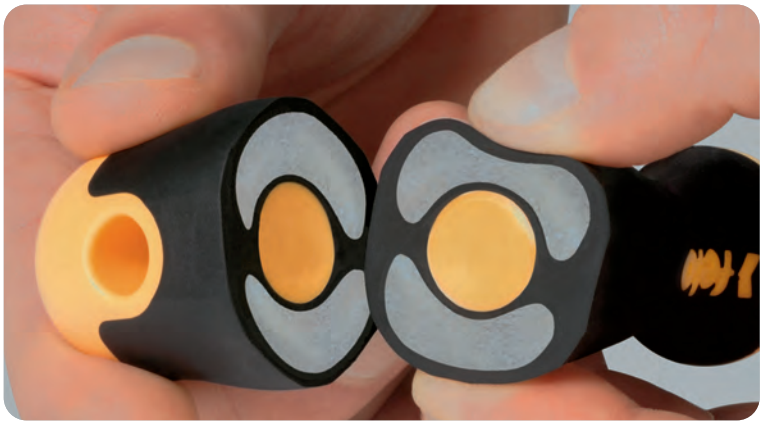

There are numerous ergonomic handle designs: It is always the user's hand that has to adjust to the handle. ERGONIC is the only handle adjusting to the individual hand!

The new standard in ergonomics, torque transmission and responsiveness!

ERGonic®

The impact proof handle core is coated with elastic, scratch resistant elastomer containing cells of highly flexible plastics.

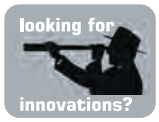

The handle fits perfectly into the hand at all times. Hand and handle interlock, causing less strain and work fatigue, allowing higher maximum torque! Responsiveness of material results in enhanced sensitivity and perfect control of torque.

DNo. 230-01-0041 1(1)

ESD-APPROVAL CERTIFICATE

Validity of the approval
Until 2004-02-21.

Holder of the approval
Felo-Werkzeugfabrik Holland-Letz GmbH, Neustadt, Germany

Category of product
Hand tools

Products

Manufacturer / supplier:	Type designation	Description
Felo-Werkzeugfabrik Holland-Letz GmbH	250 ESD	Screwdrivers with black, grey and blue plastic handles.
Felo-Werkzeugfabrik Holland-Letz GmbH	290 ESD	Screwdrivers in different sizes with grey plastic handles.

Documentation for approval
Test report P1 03147.

The ESD-approval does not include any requirements on electrical safety properties. If work will be performed close to live voltages, requirements according to The Swedish National Electric Safety Board shall be obeyed. For other countries corresponding regulations are applicable.

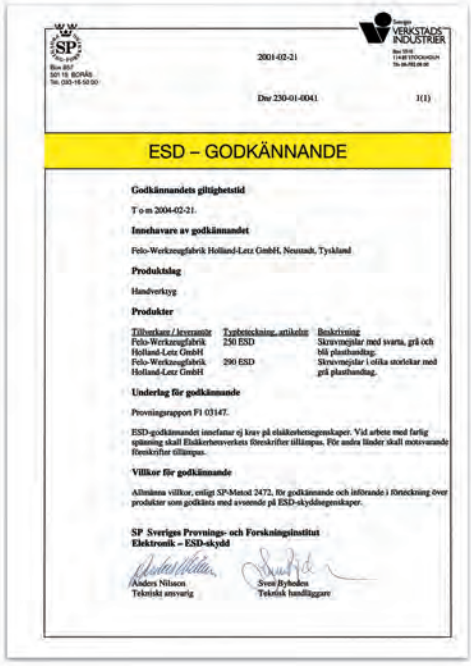

Conditions for approval
General conditions, according to SP-Method 2472, for approval and registration of approved products with regard to ESD-protection qualities.

SP Swedish National Testing and Research Institute
Electronics – ESD Protection

Anders Nilsson, Technical Manager
Sven Ryheden, Technical Officer

This is a translation of the Swedish original document.

ESD – GODKÄNNANDE

Godkännandets giltighetstid

T o m 2004-02-21.

Innehavare av godkännandet

Felo-Werkzeugfabrik Holland-Letz GmbH, Neustadt, Tyskland

Produktslag

Handverktyg

Produkter

Tillverkare / leverantör	Typbeteckning, artikelnr	Beskrivning
Felo-Werkzeugfabrik Holland-Letz GmbH	250 ESD	Skruvmejslar med svarta, grå och blå plasthandtag.
Felo-Werkzeugfabrik Holland-Letz GmbH	290 ESD	Skruvmejslar i olika storlekar med grå plasthandtag.

Underlag för godkännande

Provningsrapport P1 03147.

ESD-godkännandet innefattar ej krav på elsäkerhetsegenskaper. Vid arbete med farlig spänning skall Elsäkerhetsverkets föreskrifter tillämpas. För andra länder skall motsvarande föreskrifter tillämpas.

Villkor för godkännande

Allmänna villkor, enligt SP-Metod 2472, för godkännande och införande i förteckning över produkter som godkänts med avseende på ESD-skyddsegenskaper.

SP Sveriges Provnings- och Forskningsinstitut
Elektronik – ESD-skydd

Torque screwdrivers with precise adjustment

Serie Nm (pat.)

easy adjustment of torque

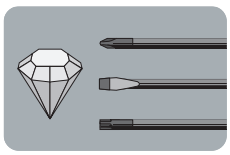

coloured ring indicating torque range

ergonomically refined design

blades manufactured from chrome-molybdenum-vanadium steel

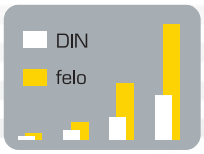

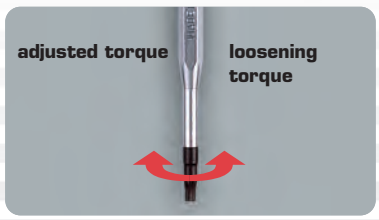

exchangeable blades for greatest flexibility in all areas of use

Precise release – indicated by accoustic and mechanic signals

superior torque which exceeds DIN and ISO requirements by up to 100%

black tip for precision fit

12 interchangeable IEC screwdriver blades with 2-component handle in sturdy smart box

every screwdriver individually tested to 10.000 Volts, fully conforming to IEC 60900

AC 1000V
IEC 60900 : 2012

secure fit of blades, quick-release button on handle against unwanted extraction

in a World ORIGINAL of copies

The first compact smart tool for electricians.

made in Germany

4 Impact

with unique absorption cascade for best protection and longest lifetime at the toughest loads!

4 Impact

- **S-M-L absorption cascade for a wide torque range (e.g. PH1 – PH3).**
- **Synchronized torsion-zones are sequentially triggered at increasing torque impulses and absorb torque peaks.**
- **Additional 4th absorption step when used with Felo Impact bits.**
- **Specially developed to be used with tangential impact drivers.**

• selected high performance steels • optimized geometry • customized production

TORSION

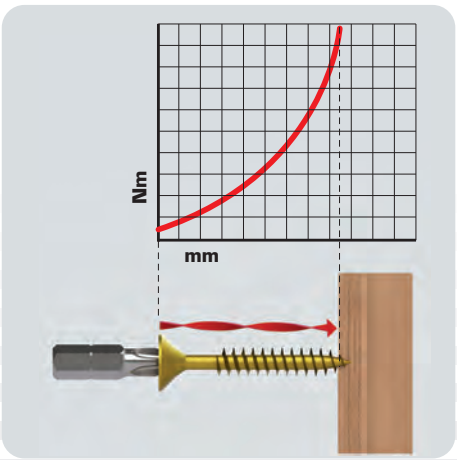

The high performance bit • absorbs torque peaks
• substantially extends tool life • reduces contact pressure

Hard screw joint

Problem:
The sudden torque peak occurring when the screw head hits the surface of the work piece can damage screw and bit.

Solution:
Felo TORSION bits absorb torque peaks and
effectively prevent damage.

Soft screw joint

e.g. fastening screws into wood, with torque steadily increasing along the way.

Extra advantage:
Especially wear-resistant profiles increase life span of the bits.

made in Germany

Felo Star automatic-holder is a unique power-tool accessory, providing decisive advantages to the industrial user.

- **secure hold of screw**
- **automatic adjustment to depth of screw head**
- **genuine one-hand operation**
- **quick and easy replacement of bits**
- **compact size**

Making work safer, faster and more efficient!
