Surface mounted boxes
Mureva junction boxes

IP65 protection junction boxes with grommets – Mureva U56

	Type	Colour	Dimensions internal (mm)	Dimensions external (mm)	Qty per package	Ref. No.
P112367	**Junction box without terminal block**					
	Surface mounted junction box with screw-fixed cover. IP65. Material: ABS.					
	Mureva U56 10 grommets Ø14	White	79x79x30	87x39x87	5	**IMT34076**
P112368	**Junction box with terminal block, screw-type**					
	Surface mounted junction box with screw-fixed cover and screw-type terminal blocks. IP65. Material: ABS.					
	Mureva U56 5-pole screw terminal 10 grommets Ø14	White	79x79x30	87x39x87	5	**IMT34077**
P112369	**Junction box with terminal block, push-in type**					
	Surface mounted junction box with screw-fixed cover and 6-pole push-in terminal blocks. IP65. Material: ABS.					
	Mureva U56 10 grommets Ø14	White	79x79x30	87x39x87	5	**IMT34094**
P112371	**Junction box mounted on cable-tray plate, without terminal block**					
	Surface mounted junction box with screw-fixed cover mounted on a cable-tray plate. IP65. Material: ABS.					
	Mureva U56 10 grommets Ø14	White	79x79x30	180x120x39	5	**IMT34096**
P112372	**Junction box mounted on cable-tray plate, with terminal block, screw-type**					
	Surface mounted junction box with screw-fixed cover and 5-pole screw-type terminal block, mounted on a cable-tray plate. IP65. Material: ABS.					
	Mureva U56 10 grommets Ø14	White	79x79x30	180x120x39	5	**IMT34097**
P112367	**Junction box fire-resistant, without terminal block**					
	Surface mounted junction box with screw-fixed cover. Fire-resistant according to UL 94 V0. IP65. Material: PC/ABS.					
	Mureva U56 10 grommets Ø14	White	79x79x30	87x87x39	5	**IMT34126**
P112368	**Junction box fire-resistant, with terminal block, screw-type**					
	Surface mounted junction box with screw-fixed cover and 5-pole screw-type terminal block. Fire-resistant according to UL 94 V0. IP65. Material: PC/ABS.					
	Mureva U56 10 grommets Ø14	White	79x79x30	87x87x39	5	**IMT34127**
P120046	**Click-lid box, without terminal block**					
	Surface mounted junction box with click lid. IP65. Material: ABS.					
	Mureva U56 10 grommets Ø14	White	79x79x30	87x87x39	5	**IMT34128**

IP67 protection junction boxes with grommets – Mureva TED

	Type	Colour	Dimensions internal (mm)	Dimensions external (mm)	Qty per package	Ref. No.
P112394	**Junction box without terminal block**					
	Surface mounted junction box with screw-fixed cover. IP67. Material: ABS.					
	Mureva TED-022 10 grommets	White	91x36x91	100x49x100	5	**IMT34113**
